Mr. Cum Posey,
324 - 13th Ave.,
Homestead, Pa.

Dear Posey:

I am writing first of all to ask you to see that I get the Gray's line up in time to have score cards printed for our game here on the 22nd. Please take care of this right away, so you won't forget it.

Next I am ordering my placards today, and have put on the June 26th date that the game is for the benefit of the Elks Athletic Fund, I have not heard anything further from you about the game, but I assume you are working on it. I do feel if we are going to work out any program by which we could handle advance sales, we should be getting our plans under way. Will appreciate hearing from you right away on this.

Very truly yours,

EM:CCJ

P. S. What about some standings and averages of the League?
